1. Purchase this product from Amazon.com with a new, one-year (minimum) service agreement of a \$39.99 or higher voice plan from the designated service provider during the valid purchase dates shown above. You must remain active on the account for at least 180 days to qualify; early termination fees may apply. You will still qualify for the online rebate if your order ships after the ending date, as long as you place your order with Amazon.com on or before that date and submit for the rebate on or before the last submission date.
2. Activate your new service (note: this rebate does not apply to phone purchases for use on an existing account and phone number. If you already have an existing account and wish to obtain a second line of service [for a family member, employee, etc.], you will qualify if you purchase and activate the phone with a new service plan. Rebates will not be honored for customers adding a line of service who then cancel an existing line).
3. To apply for your Amazon.com sponsored rebate online, you will need your Amazon Packing Slip. To apply for your rebate, simply go to www.rebateshq.com/amazon-rebates and complete the online rebate form. Here you will enter transaction information from your Amazon Packing Slip. After completing the online rebate form, you can return to www.rebateshq.com/amazon-rebates in 24 hours to check your rebate status.
4. Phone cannot be returned once the rebate fulfillment form has been submitted. All equipment serial numbers will be verified as being active in our system prior to the rebate being fulfilled
