Two Year Limited Warranty
(Valid in USA Only)
HoMedics, Inc., guarantees this product free from defects in material and workmanship for a period of two years from the date of purchase, except as noted below.

This HoMedics product warranty does not cover damage caused by misuse or abuse; accidents; the attachment of any unauthorized accessory; alteration to the product; or any other conditions whatsoever that are beyond the control of HoMedics. This warranty is effective only if the product is purchased and operated in the USA. A product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and/or authorized, or repair of products damaged by these modifications is not covered under warranty. HoMedics shall not be responsible for any type of incidental, consequential or special damages. All implied warranties, including but not limited to those implied warranties of fitness and merchantability, are limited in the total duration of two years from the original purchase date.

To obtain warranty service on your HoMedics Infratech Pro, either hand deliver or mail the unit and your dated sales receipt (as proof of purchase), post paid, along with a check or money order in the amount of $5.00 payable to HoMedics, Inc., to cover handling.

Upon receipt, HoMedics will repair or replace, as appropriate, your Infratech Pro Unit and return it to you, postpaid. Warranty is solely through HoMedics Service Center. Service of this product by anyone other than HoMedics Service Center voids warranty.

This warranty provides you with specific legal rights. You may have additional rights which may vary from state to state. Because of individual state regulations, some of the above limitations and exclusions may not apply to you.

Massage away tension and aches.

Thank you for purchasing Infratech Pro Infrared Body Massager, an infrared heat massager built with high quality craftsmanship to ensure years of soothing relief. The Infratech Pro is a state of the art massager that provides soothing heat to tired, worn muscles.

The Infratech Pro incorporates 6 custom attachments for specialized invigoration. The extended body design adds to the comfort and ease of reaching any part of your body. The Infratech Pro combines the benefits of both a state of the art massager and infrared heat to maximize the advantages available for your body's comfort.

HoMedics is dedicated to bringing you the latest advancements in personal comfort and care. However, never use our, or any other manufacturer’s massager as a substitute for medical attention. Persistent ailments and symptoms could indicate a more serious condition.

IMPORTANT SAFETY INSTRUCTIONS:

When using an electrical appliance, basic precautions should always be followed, including the following:

READ ALL INSTRUCTIONS BEFORE USING

DANGER: To reduce the risk of electric shock:
• Always unplug the appliance from the electrical outlet immediately after using and before cleaning.
• Do not reach for an appliance that has fallen into water. Unplug it immediately.
• Do not use while bathing or showering.
• Do not place or store appliance where it can fall or be pulled into a tub or sink. Do not place in or drop into water or other liquid.

WARNING: To reduce the risk of burns, fire, electric shock or injury to persons:
• An appliance should never be left unattended when plugged in. Unplug from outlet when not in use and before putting on or taking off parts or attachments.
• Close supervision is necessary when this appliance is used by, on or near children, invalids or disabled persons.
• Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by HoMedics; specifically any attachments not provided with the unit.
• Never operate this appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return it to HoMedics Service Center for examination and repair.
• Keep cord away from heated surfaces.
• Never block the air openings of the appliance or place it on a soft surface, such as a bed or couch, where the air openings may be blocked. Keep air openings free of lint, hair, etc.
• Never use while sleeping or fall asleep while using the massager.
• Never drop or insert any object into any opening.
• Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
• Do not use on or near eyes or other highly sensitive areas.
• Do not operate under blanket or pillow. Excessive heating can occur and cause fire, electrical shock or injury to persons.
• Do not carry this appliance by supply cord or use cord as handle.
• Do not use the vibrating massager directly on one concentrated area of the body. Vibrating massagers are designed to be used in a continuous motion, constantly changing the massage area.
• To disconnect, turn all controls to the “OFF” position, then remove plug from outlet.
• This appliance is designed for household use only.

Caution:
In case of pregnancy, diabetes or illness, consult your doctor before using massager.
SAVE THESE INSTRUCTIONS

Caution – Please read all instructions carefully before operating.

• If you have any concerns regarding your health consult your doctor before using this product.
• Individuals with pacemakers should consult a doctor before use.
• Do not use after taking pain killers, sedatives or alcohol. Your sensitivity to heat could be reduced.
• Never leave the appliance unattended, especially if children are present.
• Never cover the appliance when it is in operation.
• Do not use this product for more than 20 minutes at a time.
• Extensive use could lead to the product's excessive heating and shorter life. Should this occur, discontinue use and allow the unit to cool before operating.
• Never use this product directly on swollen or inflamed areas or skin eruptions.
• This product is a non-professional appliance designed to provide soothing massage to worn muscles. Do not use this product as a substitute for medical attention.
• Do not use this product before bed. The massage has a stimulating effect and can delay sleep.
• Never use this product while in bed.
• This product should never be used by any individual suffering from any physical ailment that would limit the user’s capacity to operate the controls.
• This unit should not be used by children without adult supervision.

Instructions for Use

• To reduce the risk of electric shock, this appliance has a polarized plug (one blade is wider than the other). This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install the proper outlet. Do not change the plug in any way.

Caution:

All servicing of this massager must be performed by authorized Homedics service personnel only.

• The Infratech Pro is powered by and comes equipped with a 6-ft. UL approved cord. Insert plug into 120 volt electrical outlet.
• To add an attachment to the unit's head, simply push the attachment onto the head. To remove an attachment, gently pull the attachment from the head.
• To turn unit on, simply slide the selector switch, located along the top of the unit’s handle, to the desired setting. To turn off, slide selector switch to the “OFF” position.
• Apply massager head lightly to the area you wish to treat.
• Move the unit slowly, either in a circular or back and forth motion. Treat the area for a short period of time and move to another area. Never treat the same spot longer than 3 minutes. CAUTION - as stated in the “IMPORTANT SAFETY INSTRUCTIONS” section of this manual, never use this appliance on or near eyes or other highly sensitive areas.
• Operation of longer than 20 minutes is not recommended and may cause overheating.
• When treatment is completed, turn unit “OFF”, unplug the power supply and store properly in a dry place.
SETTINGS:
The Infratech Pro has 3 operational settings to choose from: vibrating massage, heat or a combination of vibrating massage with heat. To achieve maximum results, use the Infratech Pro on uncovered skin. Clothing lessens the intensity of the treatment.

Massage only (setting control #1) - Directs vibrating massage waves to sore areas
Heat only (setting control #2) - Penetrating heat helps soothe and relax
Heat and Massage (setting control #3) - A soothing combination of invigorating massage and infrared heat

ATTACHMENT USES:
a. Fingerpoint Massage - Deep kneading relief for tight areas.
b. Microfinger Massage - Brisk, invigorating massage.
c. Accupoint Massage - Concentrated massage to specific muscles.
d. Rolling Massage - Provides relief to overworked muscles.
e. Gentle Body Massage - Calming massage action.
f. Multi-acupuncture Massage - Rejuvenates tired or stressed muscles.

Maintenance

TO CLEAN:
Be sure to unplug the unit and allow it to cool before cleaning. Use a soft, slightly damp cloth to wipe. Never allow water or any liquids to come into contact with the handle. Never use abrasives, detergents or cleaning agents. After cleaning, wipe surface with a dry cloth.

TO STORE:
Unplug the appliance from the outlet and allow it to cool before storing in its box or a clean, dry place. Do not wrap the power cord around the unit. This can cause the cord to wear and break. Do not hang the unit by the power cord.
